The incoming passenger train on Monday morning killed 47 sheep which had strayed on the track near the stock pen.

Ladies' Tailor made suits, the \$18 kind, at \$12.65. Jno D Robertson, Jr.

S. T. Butler and Jim Williams left overland, the first of the week for New Mexico to look at the country and look out a location for a ranch.

Jackson & Neeley Bros. sold this week for J. W. Skinner to J. T. Niel 1000 head of stock cattle at p. t. prices. Mr. Skinner's ranch was also leased for two years at \$1500 per year.

If you want your stove polished and set up for the winter see J S Miles.

W. C. Barber shipped a car load of hay to Ballinger Wednesday, and has an order for another car to be shipped Saturday. In dry weather Ballinger appears not to be such a good farming country. That's the secret of a good country. It tells when it's dry.

Estimates and lumber bills made out by Milton Carr. Call and see him it will be to your advantage.

Messrs. Jim Coleman, Brown and Dibrell, of Coleman, are in the city prospecting for grass and pasture. Tom Green has a far famed name as a grass region, and the number of people coming here for grass would indicate that the fields were unlimited, and ever green.

#### J. J. Minter Dead.

While on his way to see his son and to take up his abode during the remaining years of his life, Mr J J Minter, an old citizen of San Angelo and who was known by a large number of people here, died near Denison on the train, on the 26th of September last. Mr Minter was a very old man, in his 77th year, and on his birth day in the early part of the year was heard to remark that he never expected to see his next birth day, and so he did not. But during the summer his general health improved very much and the old gentleman sold his little home, and with the proceeds undertook to reach the home of a son in Missouri to spend his remaining days, but death for bade it and he passed away, as related above. He was an eccentric genius, poetical turned in mind and was the means of many jokes by those who knew him. But he is gone and peace be to his ashes.

I am selling goods cheaper than I have ever done before. Jno D Robertson, Jr.

Dr. March was out on his ranch this week and says that while grass is short in many places he thinks he will have grass enough to carry his stock over the winter, but he says many others who have overstocked their pastures are going to feel it if the winter should prove a hard one.

If you want cheap fire insurance see Huffman & Clark. They work for a home company, located at San Antonio, the Home Protective Fire Insurance Co., and can give you satisfactory rates.

Wm. H. Allen sold to P. A. Williams 1 1/2 lots in the Frary addition. Consideration \$100. Mr. Williams intends to build him a house at once.

#### A Home Wedding.

On Wednesday at 3 p. m. at the residence of the bride's parents, Col. and Mrs. Andrew J. Baker, Miss Pearl, their eldest daughter, was united in marriage to Mr. G. S. Long, of Roswell, New Mexico. It was strictly a home affair and only the immediate members of the family were present when the ceremony was performed by the Rev. E. B. Witherspoon of the First Presbyterian church.

Mr. Long is a Georgian who has been living in the west for several years, and a well known sheepman.

The many friends of Col. and Mrs. Baker, who are scattered over the State and through the South, will of course be interested in hearing of their daughter's happy marriage, as the Col. has a more than ordinary long list of friends on his string.

Mr. and Mrs. Long will travel and spend the honeymoon in Boston and in future probably make their home in El Paso.

Of course Miss Pearl will be missed in San Angelo society, but will be a great accession to El Paso in social matters.

"I had long suffered from indigestion," writes G. A. LeDeis, Cedar City, Mo. "Like others I tried many preparations but never found anything that did me good until I took Kodol Dyspepsia Cure. One bottle cured me. A friend who had suffered similarly I put on the use of Kodol Dyspepsia Cure. He is gaining fast and will soon be able to work. Before he used Kodol Dyspepsia Cure indigestion had made him a total wreck. J. W. Harris & Bros.

#### Hancock Texas Disc Plows.

J. E. Miles has just received a car load of Hancock Texas Disc plows, both single and double disc. This plow is manufactured in Texas, and last year 90 percent of the disc plows sold in Texas were the Hancock make.

They are noted for their light draft and for doing work when other discs fail. If you are in the market for a disc plow Mr. Miles will sell you one of these plows, and if you do not say yourself it is the best plow you ever saw, and it does not do what he says it will do you have a right to return it, or in other words he will put it in your fields and try it and if you don't like it he will pay you for returning it to his place of business.

#### Deering Mansion Sold.

This week Mr. J. S. Miles purchased from Mr. Henry Deering that fine \$14,000 mansion erected by Mr. Deering about two years ago. This is an elegant building, by odds the best dwelling in the city. Mr. Miles is to be congratulated on the purchase of this fine dwelling and we can say that outside of ourself we would just as soon see Mr. Miles and his elegant wife in possession of and residing in this nice house as any one we know of.

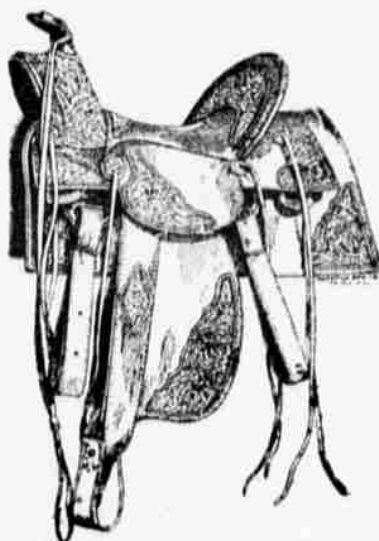

#### Polo Ponies Wanted.

We will be in Angelo on Oct. 10, 11 and 12 to buy polo ponies. We want ponies from 6 to 10 years old, 14 hands 1 inch to 14 2 inches high. They must be fast and well broken to stop and turn. We will pay a good price for ponies that suit.

#### Fruit Iars at Findlater's.

Mr. Julius Anderson, of Cisco, was in the city this week, and fixed himself for locating in Tom Green by buying the Dabney ranch down the river. Mr. Anderson will move on the ranch.

When you come to the city to attend the roping contest, or at any other time, be sure and visit my establishment and look through my SADDLES AND HARNESS, for I have the largest and most complete stock in the West. Since moving into my new place on Chadbourne street, opposite C. & G. Hagelstein's hardware house, I have greatly enlarged my stock. My saddles are to be seen and USED to be appreciated. Will be pleased at all times to show the public through my line of goods.

#### The Lecture

Geo. Landrum, the Impersonator, lectured Monday night, Sept. 30, as advertised, at the Methodist church, to quite an interesting and intelligent audience. Mr. Landrum is quite an intelligent lecturer and entertained his hearers for an hour or more with a lecture of mimicry and fun and realities to the satisfaction of everyone. This lecture is one of several that will be given by the Epworth League during the season for the edification of those who appreciate this character of entertainments and it is hoped that their audiences will be larger hereafter.

March Bros. will pay highest price for your cotton, pecans, hides, furs, etc.

For cooking and heating stoves see J S Miles.

#### The Side Issues of the Roping And Racing Contest.

There have been advertisements for bids on various privileges at the big contest, Oct. 15, 16 and 17th, and it is whispered around that there are going to be some pretty rich side shows, with no end of dances, some of them are to be a little dizzy, also the snake dances by noted Mexican seniors and Senoritas. In fact, it is said that it is proposed to make some rare sport for the boys who like to see the world at a lively pace.

Everybody seems to be getting ready with liquid refreshments, and from every indication there is a big stock on hand. So come, on boys, and show your mettle and what you are made of, and travel with the boys.

#### Gone to Rest.

It has pleased our Heavenly Father to remove from our midst Sov. Emma Pleasant Dameron to a world where the circle is never broken. The members of Manchester Grove, no 134, Woodmen circle, San Angelo, Texas, extend to the family of the deceased sovereign heartfelt sympathies in their loss. A link in the golden chain of love and friendship has been broken and the circle is incomplete. In memory of her death, as a member of Waltham Grove, No. 118, Woodmen circle of Sherwood, Texas, these proceedings are recorded and a copy sent to the bereaved family.

IDA LEE VERBERT,  
Deputy Supreme Guardian.
